

Introducing

KATE ALLDRITT

Kate Alldritt
Cardijn College Board Chairperson

Kate Alldritt is Senior Risk Transformation Lead at Bendigo Bank. She specialises in risk in change activities, partnering with the business stakeholders and management to drive appropriate risk culture and framework at all levels of the organisation to enable achievement of transformation across the business. Having worked with Bendigo Bank for 10 years she has worked a number of roles across the Retail network and Risk teams. She is a big believer in being your true authentic self and being open and transparent.

Outside of work you will find Kate spending time with her family and friends, planning their next road trip or at the river or beach, but mainly chauffeuring her two children around to their events, sports and jobs (but would not want it any other way).

Kate has been a board member for the last two years and is excited and honoured to take on the role as Chairperson in 2024, she is looking forward to working closely with the Board and College leadership team to provide guidance and to support decision making as a parent voice.
