Galilee Year 6 jacket presentation

We acknowledge our Year 6 Galilee students who received their seniors' jackets at a recent assembly. This jacket symbolises the important role they play as leaders in their last year of primary school.

Magic Harvest

How is your garden growing this season?

Our Magic Harvest plots have been flourishing, leaving students with the opportunity to taste test a variety of lettuces and observe garlic that has germinated among kale that is now as tall as our knees!

Later in the term, we will enjoy a stir-fry celebration from our stir-fry garden plot. Delicious!

Congratulations Galilee Aerobics team

Congratulations to our amazing Galilee Aerobics team who are through to the next round of the school competition. The team performed their routine at an assembly in front of classmates and parents.

Galilee students perform at Indofest

Congratulations to our Galilee students who performed at Indofest over the weekend alongside students from St John the Apostle Parish School and Emmaus Catholic Primary School. The students performed six Indonesian songs, with many dignitaries from South Australia and Indonesia in attendance.

Meet our new staff at Marcellin

Marcellin Campus recently welcomed two new staff members to the team supporting students with their wellbeing and future pathways.

Matt Williams has commenced the role of full-time School Counsellor and brings a wealth of experience, most recently as a social worker at SA Health within the Southern Youth Mental Health Service. On the weekends you'll find Matt coaching his son's soccer games, running his local parkrun, sipping coffee, and embracing outdoor activities. Matt looks forward to creating an inclusive and supportive environment for our students to feel heard and to develop key capabilities to succeed well into their future beyond their schooling years.

Andy Parkes joins Marcellin as the Industry Engagement and Employment Field Officer with experience recruiting and managing school based apprentices for the MTA (automotive industry) previously. Andy is excited to be helping students discover their perfect career. A fun fact about Andy - he is from Birmingham in the UK, where the show Peaky Blinders is set.

From teammates to opponents

Congratulations to Marian Campus old scholar Cameron Kirkland ('22) who made his league debut for South Adelaide Football Club playing against Port Adelaide. Ironically, on the opposition side for Cameron's debut was good mate and fellow Cardijn Football Academy old scholar Kyle Marshall ('22) who was drafted to Port Adelaide Football Club in the 2022 NAB AFL draft.

Both were successful athletes in the Football Academy at Cardijn College where they played many games together in the after-school competition. Cameron kicked a goal in his debut game and the Cardijn community couldn't be prouder to see two old scholars continuing their football journeys at an elite level.

SAPSASA Selections

Congratulations to Galilee students Austin (Year 6) and Max (Year 5) on being selected for the Year 5/6 Southern Districts Football SAPSASA team.

From the Principal

On Wednesday evening the College Board met at Marcellin as it was an opportunity to view the progress of the **Automotive and Metal Engineering capital project**. It is a \$6M rebuild of the Automotive and Metal Engineering workshops. This facility will provide great opportunities and training spaces for our Marcellin students to pursue employment in these fields.

There is also a process underway to establish a 6-court complex on the Marian oval as we utilise the current courts to establish eight transportable classrooms to cater for the significant enrolment growth. This will be undertaken in Semester 2.

A great deal of maintenance and 'tidy up' work has been undertaken at Galilee following the completion of the \$6M Middle School building earlier this year. This will be ongoing.

Masterplanning of the Marian and Galilee campuses is also in the pipeline!

The College Board has a significant role to play in advising the College Executive, especially the Principal. Capital works are just an example of the key priorities discussed at meetings. Other areas include: child safeguarding, strategic planning, senior leadership

appointments, critical incidents, finance, enrolments, policies and so on. This list is directly from Wednesday's meeting. We are seeking new Board members and will be commencing a process later this term. If you wish to discuss Board membership please feel free to contact me at the College.

Finally, 'Town Hall' type meetings provide an opportunity to focus on prevailing key issues with some input from the College Leadership and a 'Q&A' format to follow. Next Tuesday, the second gathering of the Galilee parents and carers will be held to focus on the appointment of the next Head of Galilee, proposed building names and a discussion in regard to the Galilee uniform. All are welcome!

Best wishes,

Steve Byrne

Principal
