## Galilee Pentecost

During Week 5, the Galilee community celebrated the feast of Pentecost, a special day known as the birthday of the church.

The symbol of fire reminded us of the fire of the Holy Spirit, which filled Jesus' disciples, and ultimately sent them out on their mission to share the good news.

Each class held a short liturgy around the fire, reflecting on the scriptures and joining together in prayer. We shared an acknowledgment of country, in recognition of Reconciliation, engaging all of the senses in the outdoor space.

## From the Deputy Principal

I recently had the privilege of attending a conference for the Deputy Principals of Marist Schools across Australia at 'The Hermitage' in Mittagong. The Hermitage is located in the Southern Highlands of New South Wales and is the spiritual home of the Marist Brothers in Australia. The focus of the conference was on the Marist theme for 2023, '*Created and Called: a revolution of love and tenderness*' and how we do this in a synodal Church.

The key takeaways in how we carry out this mission are that we as a school community need to be:

- mission-orientated in our response to pastoral challenges
- developing a culture of inclusion, dialogue and mutual listening
- acting in a spirit of service
- a Church open to conversion and the urging of the Holy Spirit
- working as a community in the processes of shared decision-making based on the *sensus fidei* (spiritual instinct) of the people of God.

As we reflect on the significant recent events across our campuses including Athon Day on the Marian Campus, the St Marcellin Champagnat Feast Day on the Marcellin Campus and the celebration of the Feast of Pentecost at Galilee (just to name a few!) it is clear that as a community we are committed to this mission and the development of outstanding young people, ready to make a positive difference in the world around them!

Deputy Principal
